# Annual Statement of Revenue Policy

In accordance with the provisions of Section 404 of the Local Government Act 1993 the following report outlines Bathurst Regional Council's Revenue Policy for the 2022/2023 year.

The report contains:

## PART A - RATES

A statement with respect to each ordinary rate proposed to be levied.

## PART B - CHARGES

A statement with respect to each charge proposed to be levied.

## PART C - PRICING POLICY

A statement of the Council's pricing policy with respect to the goods and services provided by it.

## PART D - FEES AND CHARGES SCHEDULE

A statement of the types and categories of fees proposed to be charged by the Council and the amounts of each such fee.

The Fees & Charges schedule has been prepared using the best available information in relation to the GST impact on the fees and charges at the time of publication. However, there are still a number of fees and charges for which Council is not presently able to confirm the GST status. Accordingly, if a fee that is shown as being subject to GST is subsequently proven not to be GST, then that fee will be amended by reducing the GST to nil. Conversely, if Council is advised that a fee which is shown as being not subject to GST becomes subject to GST then the fee will be increased but only to the extent of the applicable GST.

## PART E - BORROWINGS

A statement of the amounts of any proposed borrowings (other than internal borrowing), the sources from which they are proposed to be borrowed, and the means by which they are proposed to be secured.

## PART F - INVESTMENTS

A statement of Council's policy in respect of investments.

## PART G - OTHER MATTERS

Statements with respect to such other matters as may be prescribed by the regulations.

## PART H - COUNCILLOR REMUNERATION

# Part C - Pricing Policy

## 1. POLICY STATEMENT

Council's pricing policy aims to be equitable by recognising people's ability to pay and balancing expectation that some services will be cross-subsidised for the common good of the community.

## 2. STRATEGIC GOALS

- 2.1 To explore all cost effective opportunities to maximise Council's revenue base.
- 2.2 To ensure consumer's value for money by providing effective and efficient service.
- 2.3 To balance the dependence on rates and grants against other funding sources.
- 2.4 To manage financial risk in a volatile economic climate.
- 2.5 To provide integrated and coordinated services which assist all sections of the community in line with Council's corporate goals.
- 2.6 To develop pricing structures that can be administered simply and inexpensively and be easily understood by the public, and in so doing, recognising that aiming at simplicity can sometimes lead to minor inequities.

## 3. PRICING POLICY PRINCIPLES

### Category 1 - Full Cost Recovery

Recovery of all direct and indirect costs associated with providing a service, including in some cases, making provision for future capital expenditure.

### Category 2 - Partial Cost Recovery

Subsidised operations which are of benefit to the community as a whole, and undertaken voluntarily by Council or as a requirement of the Act.

### Category 3 - Market Pricing

When Council provides a similar service 'in competition' with other councils or agencies, e.g. saleyard fees, hall hire, etc, where alternative service providers are available. This category also includes prescribed or recommended fees.

Council will not use subsidies to aggressively price others out of the market or compete unfairly.

### Category 4 - Disincentive Pricing

Where Council sets a fee structure:

- (i) For non-core activities to encourage customers to seek alternative service providers to provide the service. This applies to activities where Council would prefer not to provide the service in the long term.
- (ii) To encourage people to 'do the right thing' e.g., a scaled tariff that rewards low water consumers, library fines, etc.

### Category 5 - Sewerage Service Pricing

- (i) Follows the NSW Office of Water Best Practice Pricing Guideline and is a combination of uniform annual charges, access and usage charges.
- (ii) Collects revenue to fund the sewerage system from ratepayers who actually benefit from availability or use of Council's sewerage system.
- (iii) Ensures Council derives sufficient income to operate the sewerage system and provide for future capital expenditure and debt servicing.
- (iv) Sends appropriate pricing signals, can be administered relatively simply and inexpensively and can be understood by the public.
- (v) No subsidisation between residential and non-residential categories.

### Category 6 - Water Supply Service Pricing

- (i) Is based on income gained from 25% of service charges and 75% of usage charges from residential customers, in accordance with the Best Practice Management of Water supply and Sewerage Guidelines issued by the NSW Office of Water August 2007.
- (ii) Collects revenue to fund the water supply system from the people who actually benefit from availability or use of Council's water supply.
- (iii) Ensures Council derives sufficient income to operate the water supply system, irrespective of seasonal fluctuations and provides for capital and debt servicing.
- (iv) Assists in the deferment of capital works.
- (v) Does not impede Council's commitment to greening the district.
- (vi) Can be administered simply and cheaply and be easily understood by the public.

### Category 7 - Section 7.11 Contributions Pricing.

To ensure Section 7.11 contributions reflect the costs incurred in providing community facilities/services, open space and recreational facilities, required to meet the additional needs of the community created by new development and in doing so, ensure the local amenity does not diminish.

### Category 8 - Set By Statute or Government Department.

Certain fees and charges are set by Regulation, by Ministerial approval or by State or Federal Government pricing policy.

## Part E - Borrowings

### GENERAL PRINCIPLE

Council determines borrowing requirements in conjunction with the review of its Delivery Plan each year.

### POLICY

The borrowing of funds if required, will be in accordance with Part 12 - Loans, Sections 621, 622, 623 and 624 of the Act and the 'Borrowing Order' issued by the Minister for Local Government, dated 27th September 1993.

### BORROWING REQUIREMENTS

Council has included borrowings of \$10,950,000.00 for infrastructure works for 2022/2023

The funds will be sourced from an Australian Financial Institution and secured over the future income of Council.

## Part F - Investments

### GENERAL PRINCIPLE

For the 2021/2022 year Council will continue with investment strategies that maximise return on funds whilst maintaining a low risk portfolio. The investment of funds is governed firstly by the Minister's Order shown below and secondly by Council's own investment policy which attempts to minimise the risks involved in investing public funds.

#### Minister's Order - as published in the NSW Government Gazette on 11 February 2011

The investment of surplus funds will be in accordance with Section 625 of the Act and by order of the Minister as published in the Gazette, in the form of:

- (a) any public funds or securities issued by or guaranteed by, the Commonwealth or any State of the Commonwealth or a Territory;
- (b) any debentures or securities issued by a council (within the meaning of the Local Government Act 1993 (NSW));
- (c) interest bearing deposits with, or any debentures or bonds issued by, an authorised deposit-taking institution (as defined in the Banking Act 1959 (Cwth)), but excluding subordinated debt obligations;
- (d) any bill of exchange which has a maturity date of not more than 200 days; and if purchased for value confers on the holder in due course a right of recourse against a bank which has been designated as an authorised deposit-taking institution by the Australian Prudential Regulation Authority;
- (e) A deposit with the New South Wales Treasury Corporation or investments in an Hour-Glass investment facility of the New South Wales Treasury Corporation;

All investment instruments (excluding short term discount instruments) referred to above include both principal and investment income.

## Part G - Other Matters

### 1. MOUNT PANORAMA

Council has resolved that matters relating to Mount Panorama remain confidential as they are commercially sensitive and as such may confer a commercial advantage on a competitor.
