Section 5 Proposed works

Tree No.	Exempt tree or dead tree species requiring removal	Location within property	Reason for work(s)	Reason for exemption	Intended date of commencement of tree removal
Eg	Eucalyptus Sp.	Rear yard, near pool	Dead tree	Large split in trunk & large branch fell off	Date of works
1
2
3
4
5

NOTE 1: If more than five native trees, please provide information on a separate sheet.

NOTE 2: Applicants **MUST** provide a minimum of 5 working days' notice prior to the commencement of tree removal works

Section 6 Site Diagram

Please provide a plan view identifying the location of the trees in relation to the property boundary, house/future dwellings and street. Please mark "North" direction with an arrow.

NOTE: Photos of the tree/trees are to be attached to this form at the time of submitting the form. As a minimum, two photos of the subject tree/s taken at different angles are required to be submitted with this application.

Section 7 Privacy and personal information protection notice

The personal details requested on this form are required under the Environmental Planning and Assessment Act 1979 and will only be used in connection with the requirements of this legislation. Access to this information is restricted to Bathurst Regional Council Officers and other people authorised under the Act. Council is to be regarded as the agency that holds the information. You may make application for access or amendment to information held by Council. You may also request Council to suppress your personal information from a public register.

Section 8 Determination

Approval by Council is not required for Exempt Tree Permit Notification Submissions, however Council may contact the applicant should further information be required or if Council determines that the proposed works are not considered exempt.

Section 9 Applicant Declaration

I declare that the information provided in this application is true and correct at the time of signing.
