

Equal Employment Opportunity

Policy and Management Plan

E E O M a n a g e m e n t P l a n

1. A MESSAGE FROM THE GENERAL MANAGER

I am pleased to endorse Bathurst Regional Council's Equal Employment Opportunity (EEO) Management Plan.

Bathurst Regional Council is committed to providing a workplace that is free from discrimination and harassment and provides equal employment opportunities for current and prospective employees.

This includes ensuring that the talents and resources of Council employees are fully utilised and that no employee or job applicant receives less favourable treatment on the grounds of race (including colour, nationality and ethnic or national origin), gender, marital status, pregnancy, physical and intellectual impairment, sexual preference, or age by conditions or requirements which cannot be shown to be relevant to performance.

Council views EEO as good management practice. Treating people equitably and recognising that each person contributes something vital to the organisation assists employees in realising their full potential and enhances Council's efficiency and service delivery.

Bathurst Regional Council's firm commitment to Equal Employment Opportunity is reflected in this EEO Management Plan.

D J Sherley
GENERAL MANAGER

E E O M a n a g e m e n t P l a n

2. POLICY STATEMENT

Bathurst Regional Council aims to provide an environment of equal employment opportunity in its workplace. Council believes that EEO creates a more harmonious and productive workplace, which results in better services to the community.

Equal Employment Opportunity at Bathurst Regional Council is about:

- fair practices in the workplace
- management decisions made without bias
- recognition and respect for the social and cultural backgrounds of all staff and customers
- employment practices which produce staff satisfaction, commitment to the job and the delivery of quality services to ratepayers and residents
- improved productivity by guaranteeing:
 - the person with the most merit is recruited or promoted
 - skilled staff are retained
 - training and development are linked to employee and Council needs
 - an efficient workplace free of discrimination and harassment
 - reduced staff turnover and stress

Council will particularly promote EEO for members of EEO target groups specified in the NSW Local Government Act:

- Women
- People of Non-English Speaking background
- People of Aboriginal or Torres Strait Islander descent
- People with a physical disability

3. COUNCIL'S OBLIGATIONS

Bathurst Regional Council has a legal obligation to ensure its workplaces are free from discrimination and harassment. The following laws state this requirement:

- Anti-Discrimination Act (NSW) 1977 - this legislation specifies that Council is "to eliminate discrimination or harassment in employment" on the grounds of race, sex, marital status, physical impairment, intellectual impairment and homosexuality and compulsory age retirement.
- Local Government Act (NSW) 1993 - Section 344 of this legislation

E E O M a n a g e m e n t P l a n

states that Council is “to promote equal employment opportunity for women, members of racial minorities and physically handicapped persons in councils”. In accordance with Section 345 of this Act, Council is also obliged to “prepare and implement an equal employment opportunity management plan”.

- Council also has a moral obligation to ensure its staff are not subjected to other forms of harassment. All employees are expected to treat each other with consideration and respect at all times.

Other laws stating the requirement for EEO in the workplace are:

- Race Discrimination Act 1975
- Sex Discrimination Act 1984
- Disability Discrimination Act 1992
- Human Rights and Equal Opportunity Commission Act 1992
- Equal Opportunity for Women in the Workplace Act 1999

4. DEFINITIONS

Equal Employment Opportunity (EEO) - is the principle which ensures that all employees and potential employees are treated equitably and fairly, regardless of their race, sex, marital status, age, physical or intellectual impairment or sexual preference. EEO means that all decisions on a person's employment are made on merit.

Merit - means assessing each person's skills and abilities against the needs of the job, and disregarding personal characteristic (e.g. sex or race) which are irrelevant to the job. Merit recognises experience gained both inside and outside formal employment.

Discrimination - refers to unequal treatment or opportunities. Discrimination may be direct, indirect or systemic:

- **Direct Discrimination** occurs where people are treated differently because different criteria are unnecessarily applied.
- **Indirect Discrimination** occurs when policies, rules and practices which appear neutral or impartial adversely affect a group or individual, thus reducing opportunities (e.g. height requirements for certain jobs, no female toilets at certain worksites, no disabled persons' facilities).
- **Systemic Discrimination** is rules or practices which result in different patterns of access to different jobs and different access to benefits or services. It is the result of both direct and indirect discrimination.

E E O M a n a g e m e n t P l a n

Harassment - any unwelcome, offensive comment or action concerning a person's race, colour, language, accent, ethnic origin, marital status, pregnancy, disability, political or religious conviction. Harassment is behaviour towards another employee which is intimidating or embarrassing and adversely affects the work environment.

Affirmative Action - is the method of achieving equal employment opportunity for target groups and consists of programs designed to overcome the effects of past discrimination. Past discrimination has formed barriers which exclude target groups from having access to equal employment opportunity. Affirmative action seeks to address the effects of past disadvantages and prevent future disadvantages.

Target Groups - EEO target groups specified in the NSW Local Government Act are:

- Women
- People of Non-English Speaking background
- People of Aboriginal or Torres Strait Islander descent
- People with a physical disability

Non-English Speaking Background (NESB) - refers to people who were born in a country where English is not the main language spoken, or to people born in Australia with one or both parents NESB.

Aboriginal or Torres Strait Islander - is a person of Aboriginal or Torres Strait Islander descent who identifies as Aboriginal or Islander and is accepted as such by the Aboriginal or Islander community.

Physical Impairment - is any defect or disturbance in the structure or functioning of a person's body.

Intellectual Impairment - is any defect or disturbance of the functioning of a person's brain. This may result in learning problems.

Psychiatric Impairment - is any condition which impairs a person's thought processes, perception of reality, emotions or judgement, or which results in disturbed behaviour.
