

**DON'T
INVITE
CRIME**

A FEW SIMPLE STEPS TO BE SECURITY CONSCIOUS

- 1 Check that everything is locked and secured before leaving for a holiday. Lock all windows, doors, garden sheds, gates, garages, and any other areas of your home that are able to be secured.
- 2 Never leave valuables in your vehicle. Anything that can be removed is of interest to a thief. Take everything with you.
- 3 Keep a detailed inventory of all valuable property; this includes marking your property with your name and or driver's licence number.
- 4 Door locks are very important, as home security starts at your front door. Ensure you lock all doors whenever you are at home or leave the house.
- 5 Always keep your personal belongings close to your body and never leave them unattended.
