Commentary on monthly movement

Unrestricted Cash Position

Over April 2025, total cash decreased by \$4.2m, with Restricted Cash decreasing by \$0.9m, resulting in Unrestricted cash increasing by \$3.3m to minus \$7.5m.

Council remains in contact with the Office of Local Government on Council's financial position and Council's Financial Sustainability Committee is meeting frequently to address this negative balance.

Total Cash, Cash equivalents and Investments

Total Cash is down \$4.2m at end of April 2025 with funds used on Capital projects and general operating expenses, mainly Water, Sewer & Waste.

External Restrictions

Total Unrestricted Cash is \$0.9m less at end of April 2025 due mainly to use of General Fund Developer Contributions and Water and Sewer Fund reserves.:

Unexpended Grants - \$33k funds used.

Unexpended Loans - no movement for April 2025.

Developer Contributions adjusted for funds used on projects (including Marsden Lane roundabout), less additional funds received for various plans.

Water Fund - reflects funds received, less funds used for operations & capital.

Sewer Fund - reflects funds received, less funds used for operations & capital (note loan repayments from Land Development are up to date).

Domestic Waste Management - reflects funds received, less funds used for operations & capital.
