**Blue-green algae Red Alert for Chifley Dam**  
A Red Alert warning (high alert) has been issued for blue-green algae at Chifley Dam as of 3 January 2020. A Red Alert level warning indicates that people should not undertake recreational activities at Chifley Dam where they may come into direct contact with the water, such as swimming, as well as domestic use including showering and washing. Contact with the water may also pose a threat to livestock and pets. Chifley Dam is closed for all water related activities.  
Algae results from the Macquarie River at Bathurst indicates that algae levels are at low levels and Council’s Water Filtration Plant at Bathurst continues to produce water that is safe to drink.  
For more information call Council on 6333 6111 or visit Council’s website.

**Tender**  
Design And Construction of Howards Bridge The Bridle Track, Duramana  
Tender No 36.00732  
Bathurst Regional Council is seeking tenders from suitable companies for the design and construction of a bridge within the Bathurst Council area.  
Known as Howards Bridge, the existing timber bridge is situated on The Bridle Track, approximately 25km north and 3km west of Bathurst, NSW and crosses the Winburndale Rivulet. The proposed works are for the design and construction of a new 48m four span reinforced concrete structure, including new piers and abutments on the existing alignment. Approach works will be carried out by others.  
The closing time and date for submissions is: 4.00 pm on Tuesday, 4 February 2020.

Interested parties are required to register via the E-tendering Portal www.tenderlink.com/bathurst to download the tender document at no charge.  
If you experience difficulties accessing the above website please call the Tenderlink Helpdesk on 1800 233 533.  
All electronic tenders must be submitted in the format specified in the tender document. Failure to do so will result in the tender not being considered by Council.
