Public Exhibition
Alec Lamberton Development Design
In July 2019, Council commissioned dsb Landscape Architects to develop a detailed design for the redevelopment of Alec Lamberton Park. Dsb Landscape Architects were required to develop the design that included the ideas and desires of the community that was identified from the Alec Lamberton Master Plan Community Consultation Report and the draft 2040 Open Space Strategy Report.
Previous community consultation, which covered both current and proposed future usage for the Alec Lamberton site, resulted in community and stakeholder demand for a multi-use area with recreation and sporting training facilities, plus future vision for the park, calling for the green space to be enhanced.
Council is seeking community feedback on the Concept Design which is now available for public comment.
You can have your say by completing an online submission via the Your Say Bathurst website https://yoursay.bathurst.nsw.gov.au (Look for Alec Lamberton Park Concept Design), or by a written response to The General Manager, Bathurst Regional Council, Private Mail Bag 17, Bathurst, 2795.
The closing date for submissions is 4.00pm Monday 18 November 2019.

NMRM Exhibition
This October, the National Motor Racing Museum is celebrating the 40th anniversary of the debut of Racecam at Bathurst in 1979, and the career of the first driver to carry the on-board camera, Peter Williamson.
With a collection of race cars from Peter’s career, as well as personal items, plus original and modern camera equipment, don’t miss your opportunity to see how this Australian innovation changed motorsport broadcasts forever!
The National Motor Racing Museum is open from 9.00am to 4.30pm daily.
