Water Restrictions
Level 3 (High) water restrictions came into effect on Monday 26 November 2018:

Residents
Restrictions apply to the watering of lawns (for a maximum of 30 minutes every second day) and gardens (for a maximum of 30 minutes every second day) between 6am and 9am and 6pm and 9pm.

Other restrictions relating to vehicle washing, filling of swimming pools and washing of hard surfaces apply.

*Odd numbered properties may only water lawns and gardens on odd numbered calendar days and even number properties may only water on even numbered calendar days. No watering is permitted on the 31st of any month.

Non-residential water users
Non-residential water users must review the above restrictions and if they are able to comply they must:

• Check whether they are listed below and if they are obtain and complete a Water Efficiency Plan (WEP) template from Council’s website.

• If not listed below continue to adhere with the high water restrictions in place.

Customers that are to complete a Water Efficiency Plan include:

- Landscaping and roadworks
- Commercial and industrial premises (including retail outlets, hotels, offices, public and private
- Primary & secondary schools
- Brisbane Hospital

If non-residential customers are not able to comply with the high level water restrictions, they must;

• Obtain a Non-Residential Water Restriction Exemption Application form from Council’s website.

• Council will advise whether the exemption(s) have been approved and if so, details of how to complete the completion of a Water Efficiency Plan (WEP) template.
