NAIDOC Week 2019
– Flag Raising Ceremony

Members of the public are invited to celebrate NAIDOC Week in Bathurst by attending a flag raising ceremony on Monday 8 July 2019. An Official Ceremony and Morning Tea will be held in the Council Chamber at 10am, followed by the flag raising in front of the Civic Centre, Russell Street.

Bathurst Regional Local Strategic Planning Statement

Council is developing a Local Strategic Planning Statement (LSPS) that will set out a coordinated vision for how places in the Bathurst region are planned and how changes in land use will be managed in the future. The Planning Statement outlines a clear connection between State and Local Government policies, priorities and responsibilities. The Bathurst region community is unique, yet we are part of the Central West and our Local Strategic Planning Statement must align with the NSW Government’s Central West and Orana Regional Plan. The LSPS will be a document which summarises the unique values and characteristics of the Bathurst region and captures community aspirations for the future land use and character of our City. The LSPS is the opportunity to suggest actions to address the challenges facing the region over the next 20 years. It will be used to guide future land use planning decisions for the local area.

How you can be involved?
1. Council will be holding a community drop in session
   Where: Bathurst City Library
   When: Wednesday 3 July 2019
   Time: Any time between 10am to 12 midday
2. Online survey
   Council will be developing the Local Planning Statement over the next 12-18 months. Community consultation and management will be conducted throughout this process to inform and refine the Statement as it is developed. You’re invited to be part of the conversation about our shared future.
   The LSPS engagement offers an opportunity for residents to have a say in how their community will change. Council is encouraging community members to share their thoughts about:
   What you value about the Bathurst region?
   What things would you like to see improved?
   What should be preserved or enhanced?
   Your responses will be used to develop the community’s vision, priorities and actions for how we plan to use land in the local area.
   Comments can be made from Monday 1 July 2019 until Friday 2 August 2019.
