Draft Bathurst Regional Development Control Plan (DCP) Amendment – Eglinton (West) alteration to the land reserved for school purposes

As part of the rezoning of land at Eglinton in 2010, Council, in consultation with the NSW Department of Education, identified and reserved land to allow for the expansion of the Eglinton Public School. The landowner and the NSW Department of Education have since held discussions relating to the area of land required for the school’s expansion, resulting in only part of the land originally identified. As a result, Council has received a request from the landowner to alter DCP Map No 3 – Eglinton to reflect the land to be purchased by the NSW Department of Education.

The draft DCP Amendment is on exhibition from 25 November 2019 to 13 January 2020. Submissions must be received before close of business on 13 January 2020. Details of the proposed amendment are available for download from Council’s website http://yoursay.bathurst.nsw.gov.au/DCPAmendments

Any submission that you make on this proposal may be included without alteration (including names and addresses) in reports that are available to the public, in Council business papers, on Council’s website and also made available to the applicant for comment during consideration of this development application.
